STATEC HACKATHON

STATEC HACKATHON organized by STATEC and GovTech Lab is the must-attend event for curious minds, creators and data enthusiasts.

STATEC is the National Institute of statistics and economic studies of the Grand Duchy of Luxembourg. STATEC's missions are to provide the public and private decision-makers as well as the citizens with high quality statistical information. STATEC is committed to produce statistics, analyses and studies giving a detailed, reliable and objective image of the society of Luxembourg.

WHY PARTICIPATE?

Multidisciplinary collaboration :

Join a diverse community of talents: data scientists, statisticians, economists, developers, UX designers, project managers, business analysts and many more. Together, we'll explore statistical data provided by STATEC, Eurostat and other sources.

Innovation :

Use open data on Luxembourg's society and economy and turn them into insights to support informed decision making! Develop solutions to access the data, apply techniques to blend the statistical indicators and create dashboards to visualize trends.

Networking and opportunities :

Meet experts, exchange ideas, and create lasting links with experts.

THE CORE CHALLENGE

This hackathon is all about tackling the country's economic questions and making vital data accessible for everyone - from everyday citizens to key decision-makers.

The challenge brings together coding, tech-savviness, data analysis, and economic insight to go beyond raw numbers and turn them into real solutions for the nation's future.

WHO CAN TAKE PART?

Anyone! Whether you're a passionate individual or a group of 2-6 people, we invite you to join this Hackathon.

The challenge is an interdisciplinary adventure. When forming your team, seize the opportunity to bring together experts from different fields—combine your strengths, spark creativity, and push the boundaries of innovation.

HACK- ATHON

AGENDA

27-29
OCT.

2025

Don't hesitate
to **register**
and **share** this
event with
your network!

➤ DAY 1

27 OCT. 2025

1:30 / 2:00 pm

Arrival of participants

2:00 / 3:00 pm

Presentation
of data sets

3:00 / 6:00 pm

Hacking

6:00 / 8:00 pm

Networking & Drinks

➤ DAY 2

28 OCT. 2025

8:00 / 9:00 am

Arrival of participants

9:00 / 12:00 pm

Hacking

12:00 / 1:00 pm

Lunch

1:00 / 7:00 pm

Hacking

➤ DAY 3

29 OCT. 2025

8:00 / 9:00 am

Arrival of participants

9:00 / 12:00 pm

Hacking

12:00 / 2:00 pm

Lunch

2:00 / 4:00 pm

Pitching sessions

4:00 / 6:00 pm

Networking & Drinks
