

« Luxembourg in figures 2022 » now available

The new edition of "Luxembourg in figures" provides a statistical overview of the country and Luxembourg society on 56 pages. The booklet contains new statistical data on geography and environment, population and labour market, social conditions, companies, economy and finances. International comparisons situate Luxembourg in relation to the countries of the European Union and the world's major economies.

Did you know that :

- Only 16% of trees in Luxembourg are undamaged ?
- The life expectancy of boys born in 2021 is 80.3 years, and that of girls 84.8 years ?
- With 6,690 births in 2021, this is the highest number of births recorded ?
- The average age of a woman at the time of her first child is 31.1 years ?
- The at-risk-of-poverty threshold is €1,892 ?
- France is the main destination country for leisure travel, followed by Germany, Belgium and Portugal ?
- 530,8858 vehicles are registered in Luxembourg ?
- The price of housing, water, electricity and fuel increased by 4.6% between 2020 and 2021 ?
- 282,252 COVID-19 infections have been registered up to August 2022 ?

"Luxembourg in figures" is available in English, German and French.
