Household income

HOUSEHOLD INCOME

Please indicate the **net monthly income** available to your **household** (before any fixed expenditure such as rent, loan repayment, etc.) for the four income categories below:

PLEASE NOTE: This section refers to the entire household. Therefore, please calculate the total of all the amounts received by all the members of your household

Net monthly income

1. Wages/salaries from paid employment or self-employment, secondary activity, early retirement payments, old-age pensions (widow's pension, orphan's pension, disability benefit), unemployment-related benefits, parental leave; minimum guaranteed income (RMG), etc.

2. Income from social allowances (child, maternity, start-of-school, education, cost-of-living, bonus for children, housing assistance, etc.)

3. Any regular transfers from other households (alimonies, child support, etc.)

Gross monthly income

4. Income from property or capital (rent, interest, dividends, etc.)

Thanks for your collaboration
